Designation	Sparkling Rosé Wine	**Alcohol Content**	12,5% vol.
Type	Sparkling Rosé Wine	**Winemaking and Ageing**	Stainless Steel
Grapes	100% Aleatico	**Serving temperature**	8-10°C

DESCRIPTION

The Spumante Brut delle Ripalte Rosé is crafted from Aleatico grapes, an aromatic variety that, in this sparkling expression, reveals its full freshness and distinctive character. Its delicate pale pink hue and floral, fruity aromas anticipate an elegant and vibrant sip—perfect for those who appreciate refined bubbles with a Mediterranean soul.

VINIFICATION
The harvest, strictly by hand, takes place in late August to select only the finest Aleatico grapes. After picking, the grapes undergo gentle pressing to obtain a base must for sparkling production. Fermentation follows the Charmat method, a process that preserves the varietal's freshness and aromatic intensity.

AGEING
Ageing in pressurised tanks enhances the wine's finesse and balance. During bottling, the addition of a pre-bottling finish made from Passito Aleatico further enhances the wine's profile, adding complexity and depth to the final expression.

TASTING NOTES
Colour: Deep pink with bright reflections.
Aroma: Intense and enveloping, with notes of white flowers, rose, wild strawberries, and hints of Mediterranean scrub.
Taste: Fresh, harmonious, and delicately fruity, with fine, persistent bubbles that enhance the wine's structure.

PAIRINGS
This sparkling rosé pairs beautifully with shellfish, seafood, and fried dishes, thanks to its freshness and delicate aromatics. It is an excellent match for fish-based appetisers such as tuna or salmon tartare and complements shellfish perfectly. Its acidity balances the sweetness of seafood, creating a superb taste harmony. Additionally, its aromatic profile makes it an ideal pairing for light dishes such as seafood salads and delicate risottos.
